Organized under the aegis of Rajasthan Foundation, the State Government of Rajasthan and supported by Rajasthan Industry and Investment Corporation (RIICO) and the Bureau of Investment Promotion, Rajasthan

Focused Industry Specific Meets Led by Principal Secretaries, Secretaries and Heads of Key Industry Departments

The Event

The last few months have been disruptive with huge transitions in global markets, value chains and investments. Through these major shifts India has emerged as one of the top countries for global business and Rajasthan as India's economic centre and a predominant region for business setups and investments.

This forms the essence of "Re-Design Business @Rajasthan" A virtual investment and business summit specially designed for the State of Rajasthan to Promote Foreign Investments and Business Alliances.

Curated with an enhanced and strategically aligned curricula, an all-inclusive global investor meet will bring together CEOs, Business Leaders, Top Corporates, High Profiled Investors, Venture Capitalists, Investment Institutions, Federations, Governments and Decision Makers from across the world on a single virtual platform

INDUSTRIAL POLICY

The fourth Industrial policy of the State has made Rajasthan the most favored destination for industries. The policy offers attractive packages of incentives to industries, which inter alia include sales tax exemption/ deferment, interest subsidy, octroi exemption, DG subsidy, subsidy for agro based units, incentive for quality certification, reduction in stamp duty, special scheme including interest subsidy and exemption from entertainment tax for amusement parks / cinemas / hotels, simplification of land conversion and exemption of land and building tax

Advantage Rajasthan

Rajasthan borders six major states in the northern, western and central parts of India its linkages offer tremendous investment opportunities in varied sectors

The State is a natural corridor between the wealthy northern and the prosperous western regions, making it an important trade and commerce center providing investors easy supply and demand market.

Conducive Environment for Industrial Growth Rajasthan has favourable industrial-relations environment. In addition, the law situation in the state ensures good working environment.

Rich Labour Pool and Support Infrastructure Rajasthan has been investing in capacity building through the development of a strong institutional network at all levels.

The state has renowned higher education institutions in various disciplines, producing thousands of skilled and proficient young individuals every year.
