**Consolidated Travel Advisory for Novel Coronavirus Disease
(COVID-19)**

More than 100 countries across the world now have reported cases of COVID-19. People traveling to these countries or people who have travelled abroad might come in contact with people affected with COVID-19 during their stay or even while in transit at the airports. Within these countries, few countries have reported very large number of cases and deaths putting passengers from these countries particularly at higher risk of infection. Travel Advisories had been issued by Ministry of Health and Family Welfare from time to time. The following consolidated Advisory is presently issued.

1. All existing visas (except diplomatic, official, UN/International Organizations, employment, project visas) stand suspended till 15th April 2020. This will come into effect from 1200 GMT on 13th March 2020 at the port of departure.
2. Visa free travel facility granted to OCI card holders is kept in abeyance till 15th

April 2020. This will come into effect from 1200 GMT on 13th March 2020 at the port of departure.

3. OCI card holders already in India can stay in India as long as they want.
4. Visas of all foreigners already in India remain valid and they may contact the nearest FRRO/FRO through e-FRRO module for extension/conversion etc. of their visa or grant of any consular service, if they choose to do so.
5. Any foreign national who intends to travel to India for compelling reason may contact the nearest Indian Mission.
6. In addition to Visa restrictions already in place, passengers traveling from /having visited **Italy or Republic of Korea** and desirous of entering India will need certificate of having tested negative for COVID-19 from the designated laboratories authorized by the health authorities of these countries. This is in enforcement since 0000 hrs. of 10th March, 2020 and is a temporary measure till cases of COVID-19 subside.
7. **All incoming travelers, including Indian nationals**, arriving from or having visited China, Italy, Iran, Republic of Korea, France, Spain and Germany after 15th February, 2020 shall be quarantined for a minimum period of 14 days. This will come into effect from 1200 GMT on 13th March 2020 at the port of departure.
8. **Incoming travelers, including Indian nationals**, are advised to avoid non-essential travel and are informed that they can be quarantined for a minimum of 14 days on their arrival in India.

9. **Indian nationals** are further strongly advised to refrain from travelling to China, Italy, Iran, Republic of Korea, France, Spain and Germany.
10. All incoming international passengers returning to India should self- monitor their health and follow required do's and dont's as detailed by the Government.
11. International traffic through land borders will be restricted to designated check posts with robust screening facilities. These will be notified separately by M/o Home Affairs.
12. All international Passengers entering into India are required to furnish duly filled self-declaration form in duplicate (including personal particulars i.e. phone no. and address in India) (as annexed) to Health Officials and Immigration officials and undergo Universal Health Screening at the designated health counters at all Points of Entry.
13. For any queries related to health, people may contact Ministry of Health & Family Welfare 24*7 helpline number (+91-11-23978046) or email at (ncov2019@gmail.com).
