2. **Foreign Nationals (including OCI Card Holders)** at Singapore, desirous of availing special flights to India at own expense and who have not yet registered on <https://www.hcsingapore.gov.in/OCIFRNstrandedreg> are advised to do so at the earliest.
3. **Registration on these links is mandatory** for Indian Nationals as well as Foreign Nationals (including OCI Card Holders) at Singapore to be eligible for availing special repatriation flights to India. **Passengers not registered with HCI Singapore, will not be permitted to board the flights even with a valid ticket.**

4. **Indian Nationals departing Singapore MUST have passport validity for minimum 6 months as on date of arrival in India. Passengers not meeting this criteria may apply online for passport renewal / extension of validity / issue of Emergency Certificate on <https://embassy.passportindia.gov.in/>. For queries regarding renewal / extension of validity of passport, individuals may write to High Commission of India at passport.singapore@mea.gov.in.**
5. **ALL flights have been opened for online ticketing. Only Indian Nationals residing in Singapore may avail online ticketing option for these flights. While availing online ticketing, passengers are advised to choose flights to destinations closest to their end destinations in India to avoid difficulties with regard to quarantine at airport of first arrival and onward travel to end destinations (home stations).**
6. **While booking flight tickets on Air India Express website, individuals will be **redirected to the MEA website for registration**. This is required to proceed with online ticketing process and only after completing this registration, individuals will be redirected back to the ticketing page. This is different from registration done with HCI Singapore. BOTH ARE NECESSARY.**
7. **Passengers are advised to procure tickets for special flights only after obtaining necessary clearances from their employers and concerned agencies of the Government of Singapore for leaving their residences and exiting Singapore.**
8. **The High Commission was informed of Travel agents charging unreasonable 'Service Charge' for providing tickets on special flights. This is highly avoidable. In order to secure tickets at correct airfares, passengers are advised to avail online ticketing facility only through official websites of Air India (www.airindia.in) and Air India Express (www.airindiaexpress.in).**
9. **Accommodation of Foreign Nationals (including OCI Card holders) on special flights to India is being considered separately on case to case basis as per guidelines promulgated by the Govt of India. Foreign Nationals desirous of availing special flights from Singapore to India may register themselves at link indicated at Para 2 above and send specific requests, if any, to HCI, Singapore on inf.singapore@mea.gov.in.**
10. **Several additional flights to Tiruchirappalli have been scheduled based on demand. These are being opened for online booking progressively. Scheduling of subsequent flights to Tiruchirappalli could be re-assessed by the Airline based on booking status of earlier flights. Therefore, Passengers intending to avail flights to Tiruchirappalli are **requested to avail online booking facility for the earliest flight, as and when opened, using www.airindiaexpress.in.****
11. **Passengers for whom physical ticketing may still be required to be facilitated (*including Foreign Nationals / OCI Card Holders*) will be notified by the High Commission of India through email along with time slot for visiting Air India Ticketing Office.**

12. Passengers may also note the following advise provided by the Ministry of Health and Family Welfare, Govt of India, regarding pre-boarding SOP and institutional quarantine :-

(a) All passengers are required to submit self-declaration form on the online portal <https://www.newdelhiairport.in/airsuvidha/apho-registration> at least 72 hours before the scheduled travel. This is required to be done after ticketing is complete, since the portal requires PNR number of the individual passenger as a mandatory entry field.

(b) Passengers are also required to give an undertaking on the portal that they would undergo **mandatory quarantine for 14 days i.e. 7 days paid institutional quarantine at their own cost, followed by 7 days isolation at home** with self-monitoring of health. (This purpose is also being served through collection of 'Undertaking-cum- Indemnity Form' by Officials of HCI, Singapore at Airport prior boarding, as followed hitherto and would continue to be implemented)

(c) Authorities at destination airports may permit home quarantine for 14 days only for compelling reasons/ cases of human distress such as pregnancy, death in family, serious illness and parent(s) with children of the age of 10 years or below.

(e) Passengers may also seek exemption from institutional quarantine by **submitting a negative COVID-19 RT-PCR test report on arrival.** This test should have been conducted within 96 hrs prior to undertaking the journey. The test report should be uploaded on the portal for consideration. Each passenger shall also submit a declaration with respect to authenticity of the report and will be liable for criminal prosecution, if found otherwise.

(f) The test report could also be produced upon arrival at the point of entry at destination airport in India.

13. Passengers desirous of availing exemption of paid institutional quarantine against provisions at Para 12 (e) above, are **expected to arrange COVID-19 RT-PCR testing independently in their individual capacity and the same is NOT being arranged through Air India / Charterer (in case of chartered flights) or the High Commission of India, Singapore.**

14. **Please do note that COVID-19 RT-PCR test is NOT AN ELECTIVE TEST at Singapore (not at the discretion of individual).** **Therefore, this provision would essentially apply to those individuals for whom RT-PCR test has been undertaken as recommended by the health agencies of Govt of Singapore or being arranged by employers for their own employees under guidance of concerned agencies of the Govt of Singapore.**
